FIGHT SONG

Now high school men from sea to sea May Sing of Colors too But who has better right than we To raise our symbols true?

For Highland men in battle fair
Since fighting days of old
Have proved that we've the right to wear
The blue, and green, and gold.

SHORECREST

Side by Side **Kay Starr**

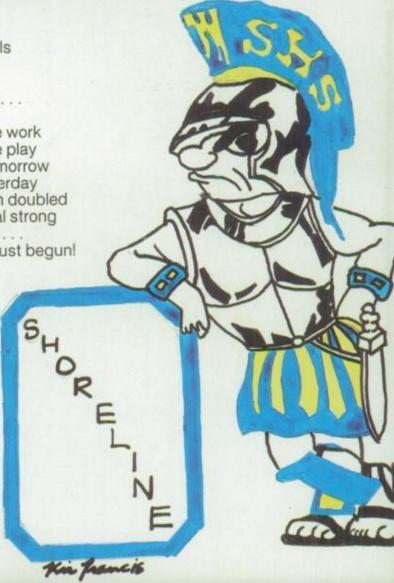

This year age old Rivals and Shoreline were united . . .

Together we work
Together we play
Work for Tomorrow
Forget Yesterday
Our strength doubled
Our potential strong
Two as One . . .
We've only just begun!

Friends Are Friends Forever

Time Out For Fun

Stand By Me

— Ben E. King

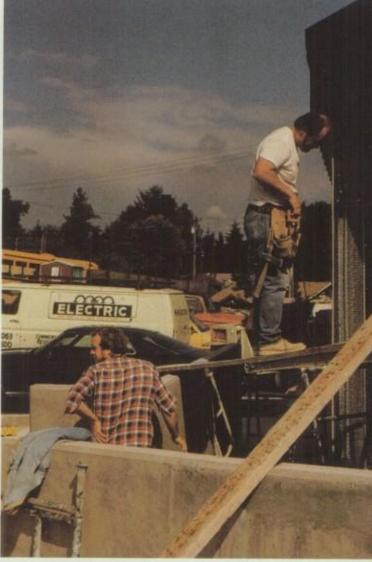

As summer came to a close and classes prepared to start, we all wondered what the "new" Shorecrest would look like. The construction which had devastated the school the previous year was to be ALMOST finished. Everyone was looking forward to having the school back from the construction people, as well as not having to dodge bulldozers in the hall or trying to talk over jackhammers. Who can forget carrying umbrellas around in the hall, or the thoughtful sign somebody put up outside the Library declaring it as the Beirut Airport.

When students and teachers entered the "new" school, it took time for everyone to get acquainted with it. Even Seniors could be seen, map in hand, looking for a classroom.

Although it wasn't until December, with the dedication of the Performing Arts Center, that we finally got our school back to ourselves, it was worth the inconveniences. Shorecrest is a new school and one that students will love for a long time to come!

The Pipe Band Class — These dedicated young individuals received their own sets of pipes just after Christmas.

The Pipers are one of Shorecrest's oldest and most revered traditions. Mr. McKai teaches them authentic Scottish songs, while Tam Osbourne tries to keep them under control during assemblies, games, and special performances. Members are: Rusty Crawford, Rick Stephaniak, Derek Desvoigne, Chris Villareal, D.J. Northrup, and Jason Merrill.

PIPERS

LASSIES

Under the direction of advisor Inga Alire and coach Karen Shelton, the fifteen Highland Dancers comprising this years' team performed at assemblies as well as doing many out of school performances. Several of the Dancers performed at local Highland Games, doing well enough at several of them to bring home trophies. The Lassies represent another of Shorecrest's Scottish traditions, providing a uniqueness unrivaled by any other school in the area.

Lassies are: Amie Malon, Renee Saltzgiver, Heidi Oiland, Shyla Esko, Linda Williams, Daria Heaverlo, Laurie Winblade, Maureen Hickey, Rene Nims, Mandy Tipton, Amy Jenkers, Ann-Marie Culver, Kim Eames, Cheryl Shi, and Lisa Gonzalez.

Drum Major Chris Villareal, Head Piper D.J. Northrup, and Lassie Captain Rene Nims provide the valuable leadership for the groups responsible for putting our Scottish Pride on display.

FLAG TEAM

Members of the Flag Team combined their individual efforts to make this year one of the best ever. Co-Captains Carrie Page and Dana Tonkin led the team through the many routines they performed at assemblies and games. Over the summer, the team's talent and skill won a first place at flag camp, proving again Shorecrest students are leaders in yet another area.

Carrie Page, Dana Tonkin, Darcy Keene, Susan Kiepe, Lori Cook, Paula Mitchell, Jennifer McMasters, Stephanie Lee, Tina Harris, Cathy Twigg, Jill Kuhn, Emma Armstrong, Tammy Knutson, Amy Shanahan, Angela Ramstad, Janna Spinney, Perry Tisdel, Vanessa Rankin, Kim Paddleford, Maria Angeles, Katie Malone

CHEERLEADERS

The 1986-87 Cheerleading Squad started off the year with a lot of enthusiasm. Over the summer the Cheerleaders won the pep paddle at camp, which proved that they had the most spirit. Not only do they perform for sports, but they also perform with the marching band, and for our pep assemblies. The Cheerleaders were specially selected this year to perform during the half-time show of both the Seahawks and Huskies games.

This year's squad consisting of five girls from Shoreline and nine from Shorecrest came together to make the first year of the combined schools a very spirited one. The cheerleaders led a busy year, going to Abbottsford, B.C., with the Marching Band, cheering at every game, and urging on the Scots all through another successful Shorecrest year.

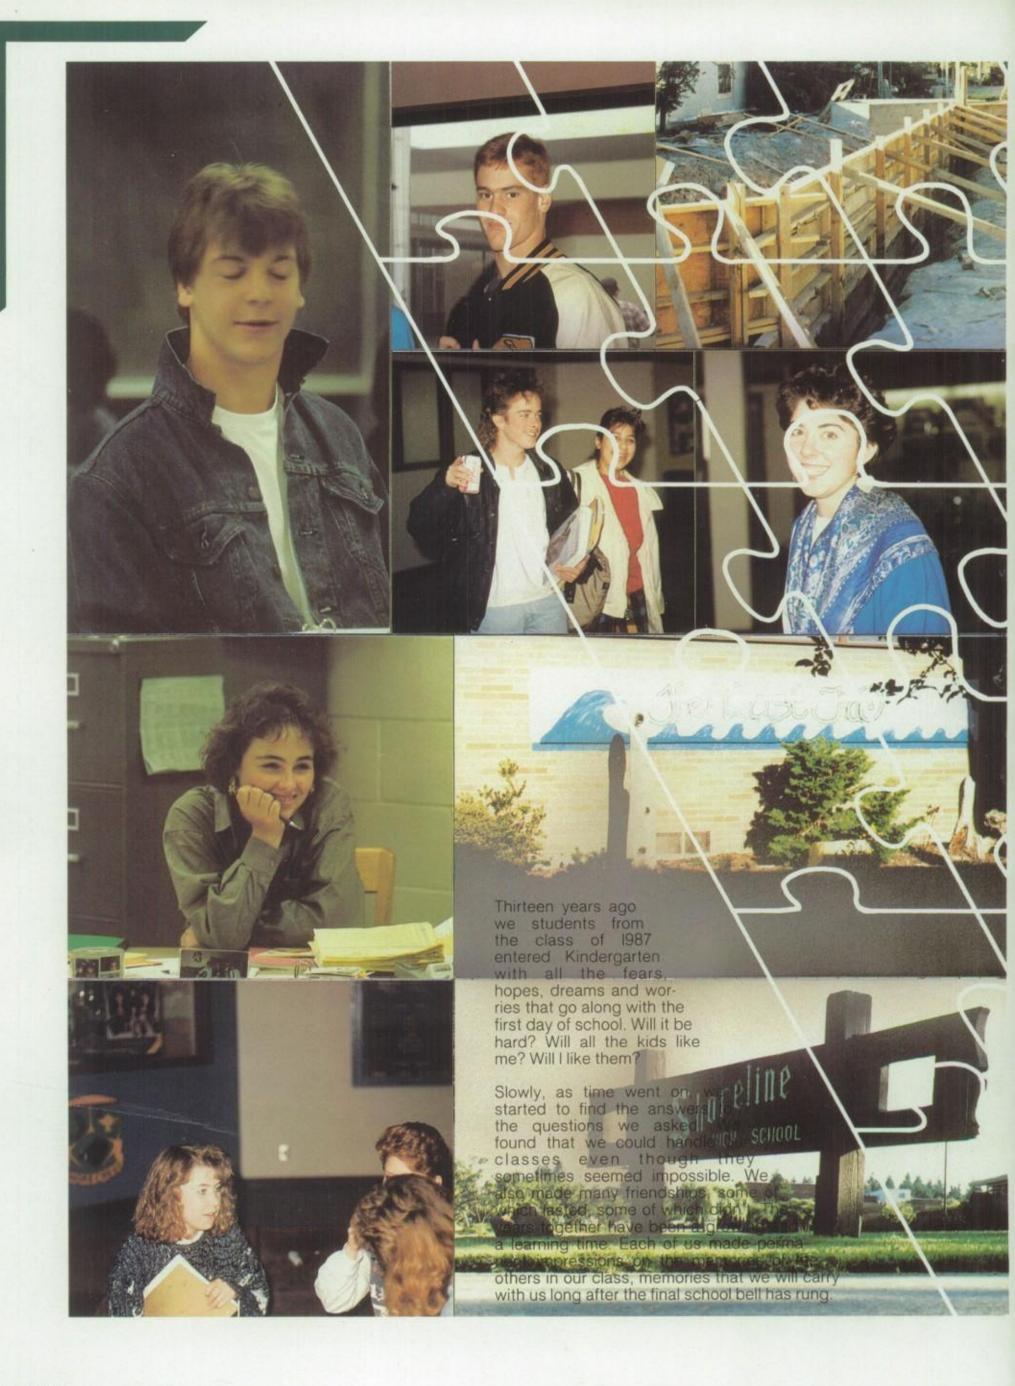

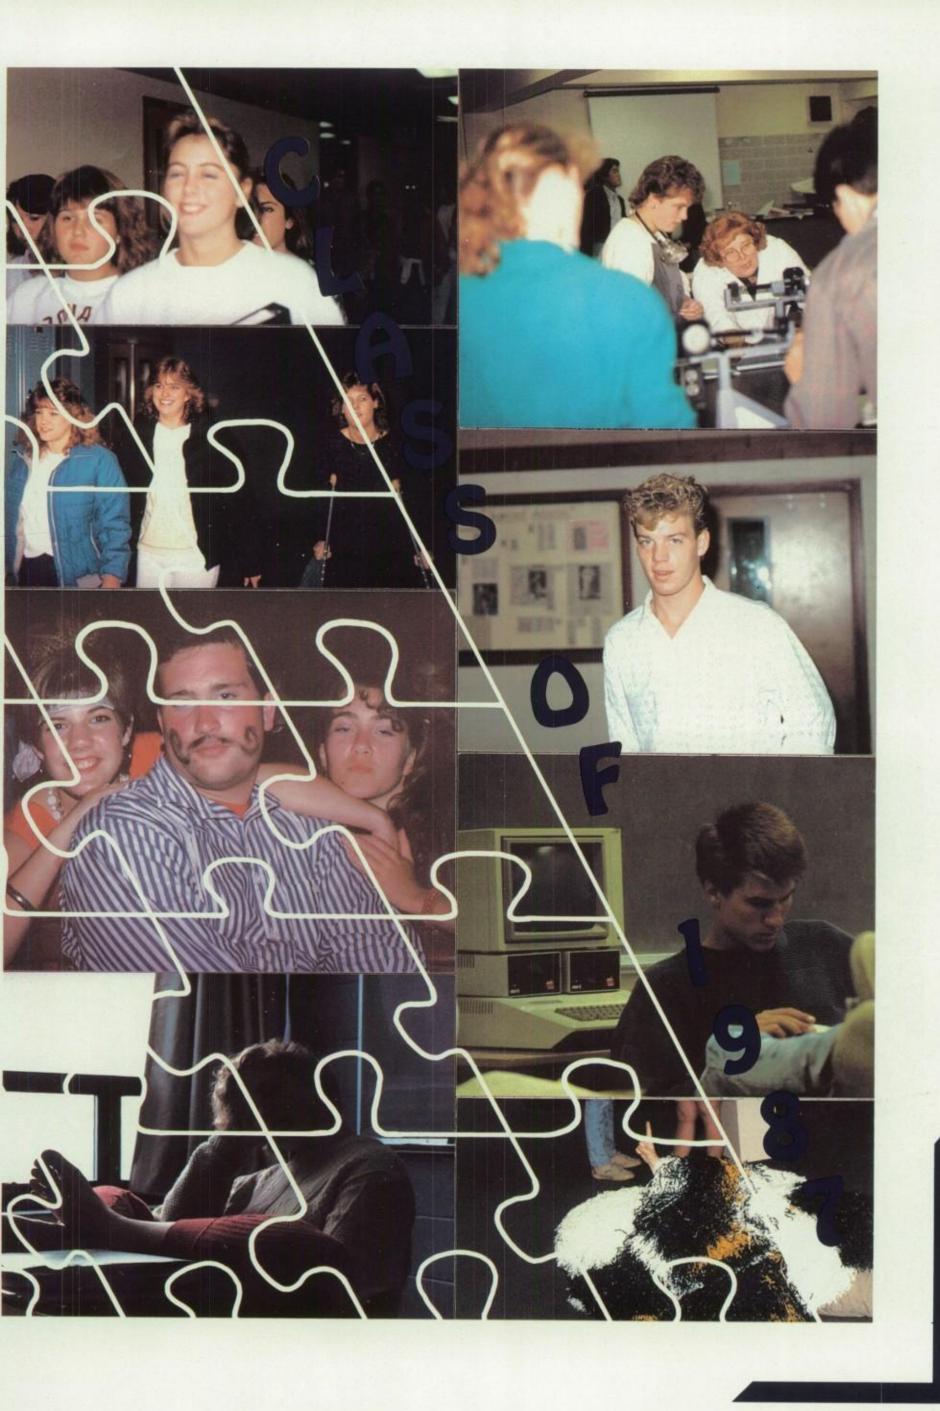

SENIOR OFFICERS/COMMITTEES

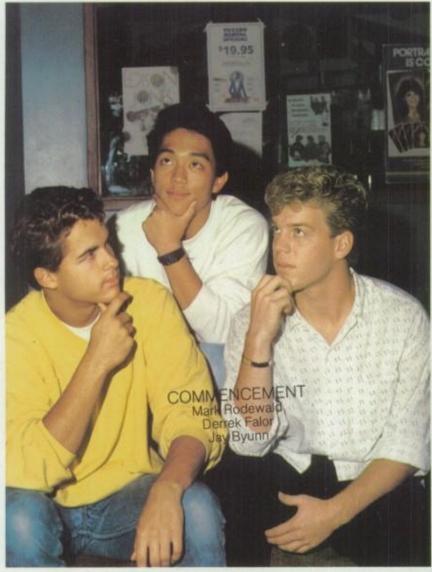

THE SENIOR CLASS OFFICERS
Co-Presidents: Darcy Keene & Elaine Pulido
Co-Vice-Presidents: Rajy Abulhosn & Jay Byunn
Co-Secretaries/Treasurers: Howard Hu & John Joosten

The Senior Class of '87, under the leadership of its class officers, was one of the best ever to pass through the halls of Shorecrest. The Senior committees worked hard to make sure the year ran smoothly. Most of the class' work was directed towards graduation, and the festivities that go along with it.

Many fund raisers were sponsored by the Senior class throughout the year, including a school-wide sweatshirt sale. Even though the class directed it's energies toward graduation, the Senior officers made a special effort to get the Annual's Senior section in color.

The Senior Class also succeeded in showing the most spirit at Homecoming, as they walked away with the coveted Spirit Bell.

Under the direction of the A.S.B. officers the 1986-1987 President's Cabinet worked hard to unite the school, as well as organize most school activities. Committee Chairmen were selected early in the school year. Their dedication, along with that of the elected officers, provided many successful events. They sponsored dances, pep assemblies, homecoming events, and kept the school aware of all activities. Coordinator Wally Lis watched over and advised the group. Nice job guys!!

TATTOO

Tattoo is the name given to Shorecrest's literary magazine and it's hard working staff. The Art League has shared the numerous responsibilities with the staff. Led by advisor Mr. Tracy and editor Julie Blackwood, the staff met after school on Wednesdays to publish the Tattoo in May.

Members: Julie Blackwood, Jennifer Brandon, Lara Cady, Aine Donnelly, Kerry Jolly, Anna Lee, Elisa McFeron, Alix McNamara, Tammy Miles, Nichole Renaud, Alicia Rossano, Lynn Walken.

The Student Newspaper at Shorecrest, "THE HIGHLAND PIPER", covered the major school and community events under the guidance of Editor Scott Johnson, and Advisor Mrs. Potter. Although the year started with a staff lacking in experience, the students picked up their knowledge through on-the-job training and developed into a seasoned staff. Students not enrolled in the class also helped by contributing stories and photographs for publication.

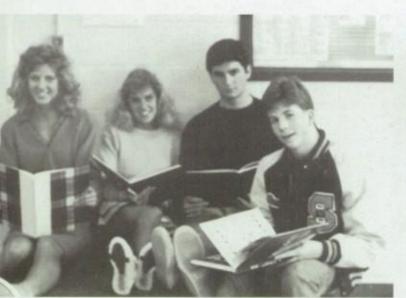

PIPER STAFF

TOCH

At the beginning of the '87 school year, a great challenge lay in front of the members of our school: to combine a lifetime of various traditions that had been established at Shorecrest and Shoreline. Not only were traditions to be blended, but also students, teachers, administration, classes, sports, and clubs. In order to achieve this goal of "Putting It All Together", it took the cooperation of every person at-

tending Shorecrest.

Homecoming was one of the first big obstacles that was necessary to overcome, where compromises had to be made. In the end however, it was a success with it's spirit days and numerous class competitions to see who would win the coveted Spirit Bell. The assembly boosted spirits to a new high and provided a step toward unifying the school a little more, while at the same time preparing everyone for a victorious football game and a dance only possible "When You Wish Upon A Star"

After Homecoming, things settled down and it became easier to "Put Things Together". Lasting friendships which had been started at the beginning of school were now firmly cemented together, and everyone was starting to feel a little more at home in "new" Shorecrest. Classes wee running smoothly except for the numerous interruptions caused by the continuous testing of the new fire drill

system. Everyone settled into a routine that included TAG for the first time. Even the bells that everyone laughed at and joked about in the beginning became accepted as part of the normal routines to which

everyone became adjusted.

This year Shorecrest won an uphill battle by being able to "Put It All Together" to achieve a memorable year. Even though she started out on shaky legs, the school finished strong and with flying colors. It was because of this difficult race that was facing the school that the 1987 LOCH staff picked the theme of "Putting It All Together". We, like the school, had many challenges to face in putting out this annual, which is larger than any of the preceding ones at Shorecrest. It is our hope that we have presented to you an annual that you will look upon with Scottish Pride (mixed with a dash of Spartan Spirit) for many years to come as you remember the struggles that Shorecrest contended with in order to "Put It All logether'

We would also like to say to all the people remaining next year to have fun, study hard, and keep the traditions alive. We wish the best of luck in the future

to all graduating Seniors of the class of '87.

With all our Scottish Pride Nikki and Shyla

ORCHESTRA

The Orchestra, conducted by Mr. Tam Osborne, stayed very busy this year, with many trips to places like the Gresham, Oregon, Orchestra Festival in April, Spokane, and to Kellogg Middle School. In order to finance many trips like these, the orchestra organized a coupon drive, placing over 5,000 dollars worth of coupons on products, to get reimbursed for their time and dedication. With the help of a select few, the orchestra was able to meet the demands of the community.

Highlighted by new uniforms, the Wind Ensemble traveled to Ottawa to compete in the Canadian National Concert Band Finals again this year. After receiving a gold medal in this event in '86, the group was asked to enter the contest again. They also competed in the Abbotsford International Band Festival and at the Sno-King concert here at Shorecrest.

MARCHING BAND

The Fall Marching Band season was highlighted by its appearance at the Seattle Seahawks football game November 2. Combined with Shorewood's band, the two bands received many letters and calls about their colorful show. The Spring Marching Band (Parade Band) was asked to be a guest honor band for the 1987 Portland Rose Festival in June. This honor hasn't happened to the band since 1978.

The new uniforms for the Symphonic Band looked great at the bands' premier performance in the new auditorium on March 12. In April, they competed in the Abbotsford British Columbia Band Festival, as well as competing in the Large Group Contest at Shorecrest. In addition to serving as the Marching Band in the fall, they also put on a super holiday concert on December 15.

D.E.C.A.

D.E.C.A. (Distributive Education Clubs of America) was brought from Shoreline as a new program to Shorecrest this year. It's main goal is to learn about the world of retail merchandise through hands-on experience. The club requires every member to hold a part-time job contributing 200 hours for each semester. In addition, the students work in the school store "Scot's work in the school store, "Scot's Pub", for 100 minutes each quarter. President Dan Koch and Advisor Mr. Moore arrange club meetings every Wednesday to discuss present and future plans. Such plans included trips to New York and New Orleans.

MEMBERS: Donna Albert, Lawrence Amarek, Karen Armijo, Michelle Autio, Ryan Bailey, Timothy Blair, Leslie Burnett, Timothy Cameron, Matt Dunbar, Brad Groves, Todd Jacobs, Lisa Karl, Stacy Lee, Melissa Moening, Tony Russell, Donald Saito, Regina Shrock, Michael Watts.

This year, Commercial Foods was supervised and taught by Mrs. Eguchi. The knowledge that they attained through hands on experience and group instruction produced a profitable class with responsibility and leadership. Once a week, the students transformed into cooks and waiters to run a miniature restaurant for the non cafeteria-bound students and faculty. Together, they contributed their efforts toward pleasing everyone with good food and service.

V.I.C.A. (Vocational Industrial Clubs of America) is designed to give students enrolled in trade, industrial, technical, and health occupations classes a chance to participate in leadership activities. At Shorecrest, the drafting, electronics, and woods classes have chosen to take part in this club also.

Shorecrest V.I.C.A. has already had some very successful activities, including a gift wrap booth at the Aurora Ave. Sears Store. They also had two students elected to leadership positions outside of the district: Mark Rodewald served as National Vice-President, and Jay Byunn was Washington State

Competitions this year included Regionals in February and March, State in April, and possibly the Nationals in June.

NUMBERS ONLY/CHESS

Numbers Only, Shorecrest's math club, was designed to help students in and out of the group. Ms. Durbin and Ms. Chamberlain helped the students to associate the fun aspects while learning math.

Various activities took place in and out of the club. One example was the tutoring program provided by members to others not so adept in math. After School, math contests were held, and practice situations for this year's SAT's were offered.

 This club not only was concerned with academics, but also with the more enjoyable aspects of math.

Chess is usually not regarded as a sport, even though it is a game of wit, skill, knowledge, and the desire to vanquish an opponent on a field of battle, albeit a rather small field. It is a battle of enemies, to the figurative death of one, the joy of victory to the other.

Chess must be practiced over and over again, specific moves and strategies must be learned (and some unlearned), and the skill of your competitor must be assessed at all times to assure a victory. Under the skilled guidance of Mr. Tracy, the Club did well enough in a very tough league to place fifth.

Varsity: John Cho, Chris Espejo, Adam Kick, Cheng-Chi Ku, Andy Robertson; J.V.: Soung Kim, Daniel Kwak, Ben Lee, Jim Ritzman, Phil Shen; Alternates: Robert Christ, Michael Kuzi.

A Computer Fable: Once in the great Computer Kingdom, there was a group of **BIG** ants, and a group of tiny ants. There were many big ants. They were named "Big Shot Ant", "Survival Camp Ant", "Business Ant", "Closet Ant", and "Drop Out Ants", as well as the worker ants. And the Ant King said to the ants: "Group, go to work." But the big ants had nothing to do, so they helped the little ants, and the world rejoiced! So all the ants lived happily ever after (even without their Scottish computers).

The A-Team consisted of students from different groups of the school in order to have a well-rounded background from which to contribute ideas and input regarding alcohol and drug abuse. Led by advisor Ms. Eklund, they also tried to make students feel at ease in coming to a member of the group in order to talk about their own lives, or about ones close to them, in a non-judgmental and helpful way.

Computer Club Jam Master: Soung Kim; Co-Presidents: Brook Anderson, Robert Christ, Kristin Coulter, Aine Donnelly, Chris Espejo, Robb Faller, Tony Fan, Joel Hoadley, Howard Hu, Nelson Huen, Jon-Paul Jones, Hun Khou, Davina Kim, Cheng Ku, Daniel Kwak, Mike Lambert, Shiun Lee, Scott Pettit, Chris Putnam, Philip Shen, Vicky Treyger, Steve Wilkinson

The A-Team: Renee Carpenter, Derrek Falor, Peter Heryford, Dawn Hickenbottom, Jennifer Jacobs, Emily Lawson, Peter Lee, Michelle Marklund, Baien Nagamatsu, Jennifer Nosworthy, Kelli Sidick, Debbie Teeter, Matt Weathers.

DANCE

Ms. Pamela Lyons created a Performing Dance Group for the first time this year. They not only performed in their own production," Energy in Motion", and assemblies here at school, but also at The Pleasure Palace and at other schools in the district. This is one of the few schools in the pation that the few schools in the nation that has a dance performance group. As talented as this one is, Ms. Lyons offers a dance class each semester to young men and women who wish to learn more about movement, creativity, and reaching professional performance potential.

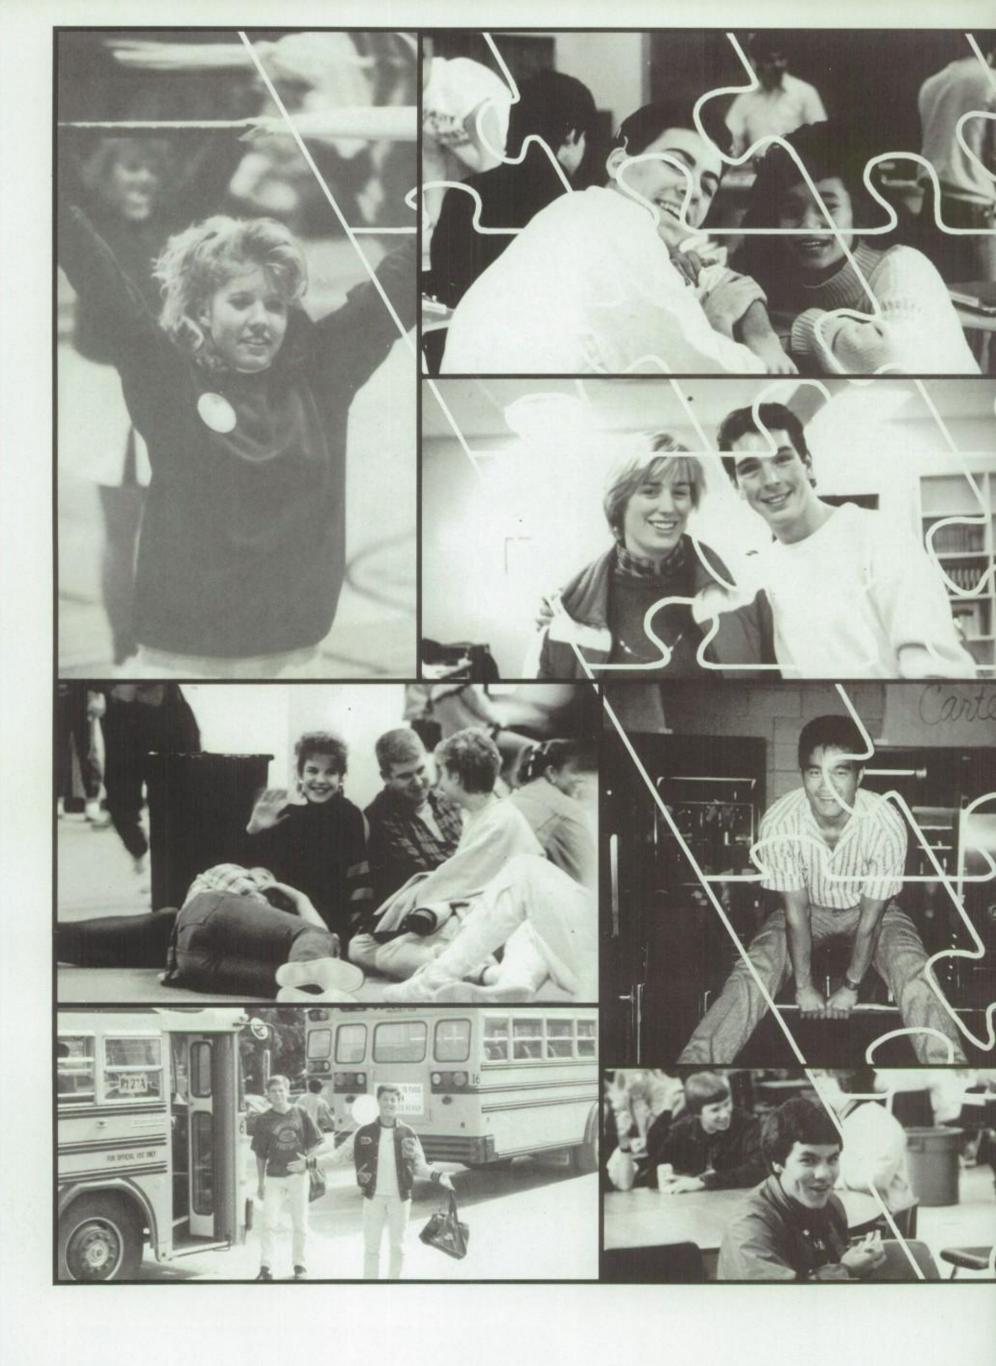

The art students felt that this was the year to form Art League, one of our newer clubs. Their goal was to become recognized as a part of the National Art Honor Society. Faculty advisors Cheryl Johnson and Del Hansen planned various activities and field trips with the Executive Committee, which consisted of Sherri Whitmarsh, Eric Klokstad, and John Grade.

The Art League provided an art display for this year's twentieth anniversary celebration of the Shoreline Library. Their field trips in-cluded a trip to First Thursday, the monthly openings of art galleries in Pioneer Square, local art schools, and museums.

JUNIORS

The Class of 1988 led a very spirited year. Gone are the young Sophomores who threw firecrackers down the bleachers at pep assemblies, replaced by the organized juniors who captured first prize with their bleacher design at Homecoming.

With the help of advisor Frank Crosser, the Junior Senators, Matt Hulett, Monica Cooper, Lori Johnson, Baien Nagamatsu, Cory Scherrer, and Karolyn Klohe, all put their heads together to make money for the class fund. Some of their fundraisers were dances (where they made a LOT of money), the Christmas Wrapping Booth at Lake Forest Park Center in December, and candy grams all through the year.

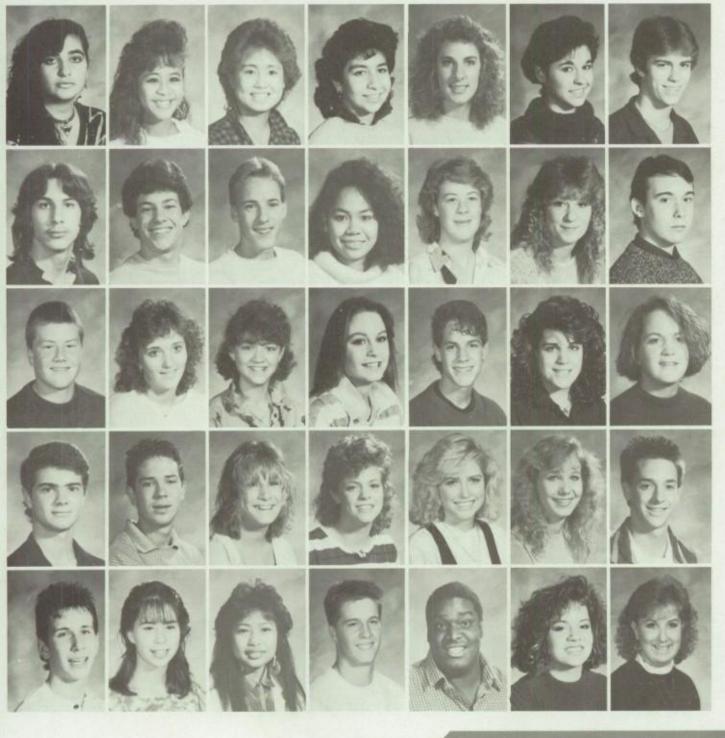

With all the hard work of the senators and the rest of the class, the Class of 1988 will make for a group of winning and VERY

SPIRITED Seniors next year.

This years' Sophomore class was very energetic. Led by senators Andy Gallaugher, Brent Binge, Emily Lawson, Hyesook Chung, Jennifer Hoverson, and Josh Keene, they worked together to earn money to be used in their Senior year. With the help of advisors Rick Nordby and Nick Schulz, the class organized dances and sold candy grams, ensuring their status as valuable assets to Shorecrest for their remaining years.

FRESHMEN

Freshmen Senators

This years' Freshman Class was very eager to become a part of Shorecrest. TAG, a new program this year, was set up to help the incoming ninth graders adjust to the routine of High School life. It gave the Frosh Big Brothers and Sisters they could turn to if they had any problems or questions.

Led by Senators Joe Hayes, Jason Bremer, Deanna Nienhuis, Jake Freeman, Keven Predmore, Krissy Lee, and Advisor Mrs. Eklund, the Freshmen started their progression through Shorecrest by selling candy grams at Homecoming.

With their high expectations of themselves and of their class, the Class of 1990 will do well.

Coach Beau Edwards welcomed a number of returning players, as well as former Shoreline players, with Shoreline's head coach, Stan Taloff, becoming Shorecrest's offensive coordinator. With the combined strength of Highlander and Spartan players, the varsity team came through with a winning season. Edwards, who has been head coach for five years was quoted as saying: "It's not that we have a lot of stars, but we have a lot of depth."

With wins over Bainbridge, Lynnwood, Edmonds in overtime, Woodway, and the all important Homecoming win over Meadowdale, it was a successful last season as a AA team, and the school is looking forward to playing AAA next year.

J.U. FOOTBALL

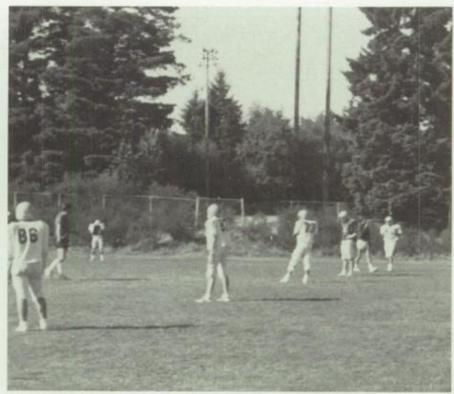

With wins over Bainbridge, Lynnwood, Edmonds, Shorewood, Meadowdale, and a tie with Lake Stevens, the 1986 team had a 5-1-2 record, ensuring some solid talent coming up through the ranks for Coach Edwards Varsity squad. The going will not be getting any easier, as Shorecrest, moving up to AAA for the 1987 season, will be facing some tough tests. However, all on the team feel that with the merger of players and coaches from Shoreline, Shorecrest will be a power to deal with in the future.

The Freshman/Sophomore football team enjoyed an outstanding season, highlighted by a hard hitting win over Lake Stevens, 1-6. Completing the season with a 4-1-1 record, the 34 players involved demonstrated vastly improved individual skills and team encepts from the beginning of the season to the end. Coaches Allen, Lesh, and Dahn were extremely pleased with this teams forts, giving Shorecrest continuity for it's march into AAA football with solid players moving up the ladder year after year.

This year Shorecrest added a 3rd team to volleyball. This 3rd team consisted of very energetic and enthusiastic freshmen. They all have shown a lot of potential, and have proven themselves to be winners. Mr. Reed was chosen to coach the 3rd team. With his help the team grew tremendously, not only in their individual abilities, but as a whole. The girls on the 3rd team have shown that they can pull together and make a winning team, and definitely have a great future in volleyball.

The Junior Varsity Volleyball team this year has brought in a lot of very talented girls, although the majority of them had returned from the year before, the new girls had alot of potential and worked very hard at improving their skills. The team, coached by Ms. Miller, practiced every day on their skills and became a team that worked together. The girls on the team still have a few more years to go, but have already proven to be a growing and winning team.

Record 8-4	

The 1986 Girls Swimming team had 47 very talented people, sending 5 to State. The state qualifiers, swimmers Jennifer Biffer, Shelley Murphy, and Sarah Suhadolnik, divers Ann Marie Culver and Emily Peterson, along with the five senior captains, Darcy Keene, Julie Mulholland, Sonja Aldrich, Timi Hutchins, and Kim Paddleford, led a very experienced group to an 8-4 record this year. Such things as team balloons and 7:00 a.m. breakfast meetings helped keep the morale high as well.

Led by first year coaches Jody Kleven and Chuck Kroll, the squad practiced hard and competed hard, as evidenced by the record. With the talent returning next year, Shorecrest should be again at the head of the pack.

GIRLS X-COUNTRY

The Shorecrest Girl's Cross-Country Team, led by Freshmen Deanna Nienhuis and Leah Hoyer, capped their season with Hoyer, capped their season with a 4th place finish in the State Championships. Other members of the late surging Girl's Varsity were team captains Suzanne Neinhuis and Mandy Tipton, plus Lara Nachiem, Kathy Bevington, and Suzanne Bachler. It was not until the 3rd place finish at the WESCO Championships that the team began to show its real team began to show its real potential. A week later they upped their status with a 2nd place finish at Northwest District and ran their greatest race at the State Meet.

The boy's team had great hopes for another banner year based on two consecutive State Championships in 1984 and 1985. But numerous injuries to key runners such as Sean Delich and Terry Hyppa severly reduced the team's potential. With the youth on the team it is hoped they will be back on track next year for another shot at the state title.

BOYS X-COUNTRY

BOYS TENNIS

The boys J.V. and Varsity tennis teams started out as a very promising group of hardworking students compiled from the Shorecrest and Shoreline teams of last year.

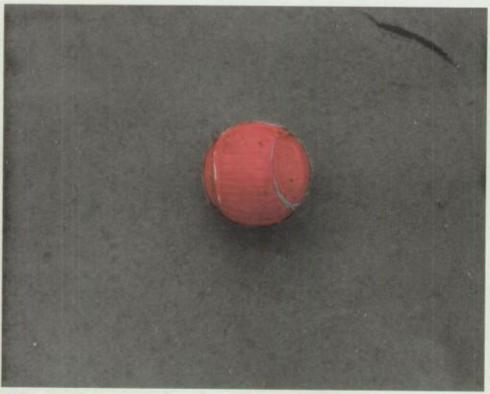

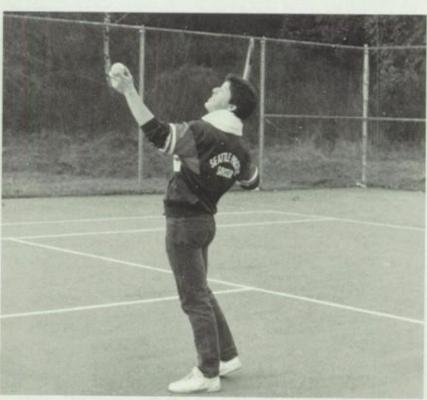

Many players called this tennis season one of their best ever, winning many of their matches and learning alot from their coach, Mr. Devalle. Although for the Shoreline players, it no doubt took some getting used to a new coach, they all came out winners in the end.

Struggling to come of age in a tough league, the '87 girls varsity fought through their inexperience in a losing effort this season. Although not reflected in the record, they showed a lot of grit and determination while losing some heartbreakers. This year saw many changes for the Girls Gymnastics team now that the new gym is finished. They no longer had to be transported every day either to Shorewood or Einstein for practice, and our new equipment insured that we had the very best practice facilities. Susan Sellers coached the girls and helped them with their performances and moves. As not many of last years team returned, lots of new girls turned out, making this a building year, with the girls showing lots of potential for next year.

The boys swimming and diving team this year has shown alot of stamina. New coaches Jody Klevan and Chuck Kroll, who also coached the girls swimming team, made a winning team out of the swimmers and divers. The boys, in the years to come, definitely have alot of potential. They are a team that Shorecrest can be very proud of for this year and years to come.

3rd TEAM BASKETBALL

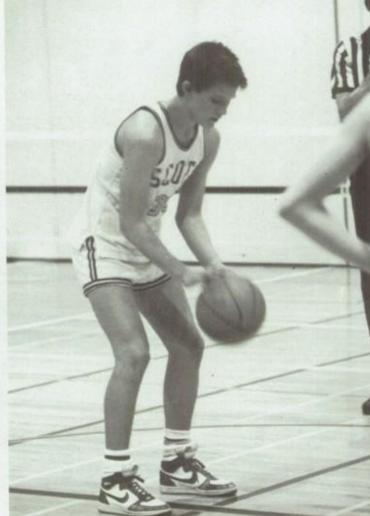

The 3rd Team Basketball teams did extremely well this year. The spent most of their practices learning their positions and learning new plays. "The team grew tremendously and really worked hard at playing together." All of the coaches look forward to working with them. And in the future they feel they will be a winning team.

3rd TEAM BOYS' BASKETBALL: Brent Cole, Craig Downden, Brian Eggan, Tyler Grerer, Dan Grooters, Ryan Grooves, Daivid Jochim, Matt Lewis, Tim Lindhart, Brian Marklund, Bill Rodeo, Robert Sy, Mike Wendt, Mark Writer, Spiro Zeffrey, Coach Mike Grover.

3rd TEAM GIRLS' BASKETBALL: Heidi Rutledge, Rochelle White, Nita Shin, Jessica Muholland, Lisa Mehlerte, Carolyn Hayes, Tracy Carroll, Kira Nordby, Stacy Ottmar, Lynette Charwood.

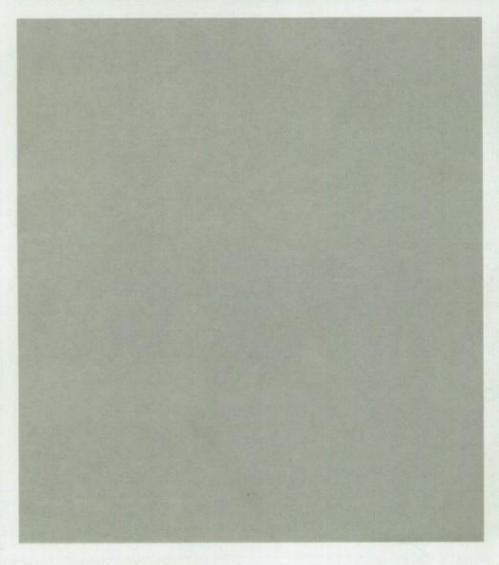

Shorecrest's 3rd team, made up mostly of freshmen, worked hard in practice and learned each others strengths. This is Shorecrest's first 3rd team ever — and promises to produce several players with varsity potential in future years.

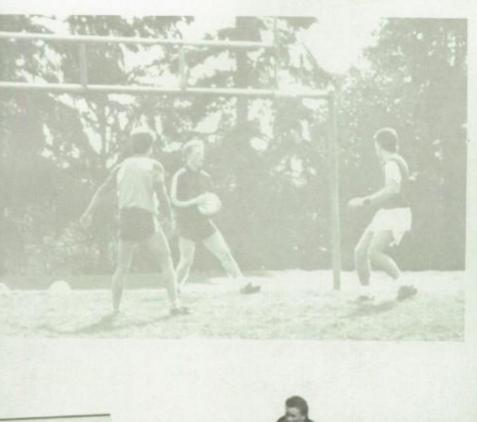

THIRD TEAM SOCCER

UARSITY SOCCER

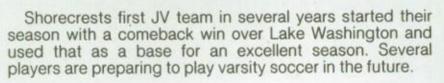

Shorecrest Varsity Soccer Team was made up almost equally of Shoreline transfers and returning Shorecrest players. They jelled together into a cohesive unit and played excellent soccer. Led by senior captain Dave Sharp, the defense gave up few goals. The midfield was directed by junior Scott Martin who got the ball to our fast forwards, led by freshman Jason Farrell and senior Craig Walker. The varsity team set their sights on a high finish in the Wesco standings and a berth in the State Tournament.

JU SOCCER

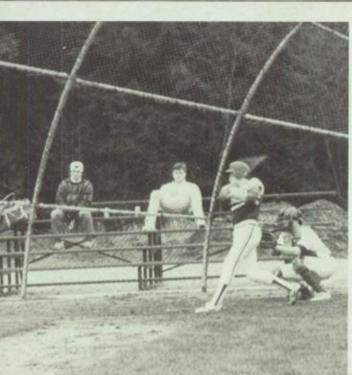

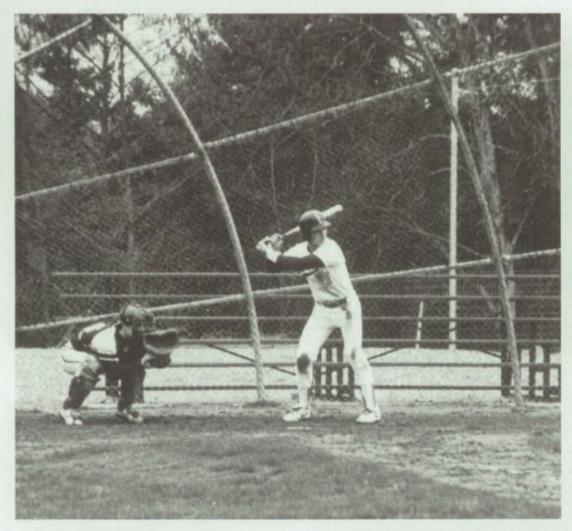

Some major shakeups in both the Shoreline and Shorecrest Varsity Baseball programs required some of the players with varsity experience to play at the J.V. level this year. As a result, Shorecrest's future looks very rosy for the next few years as these players gain valuable playing time at this level rather than having to sit on the bench for the Varsity.

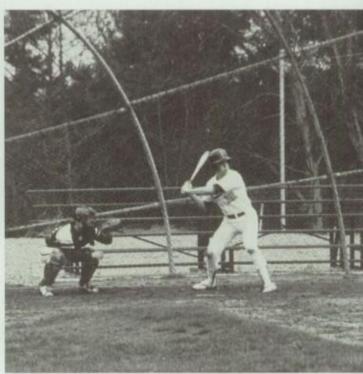

J.U. BASEBALL

UARSITY BASEBALL

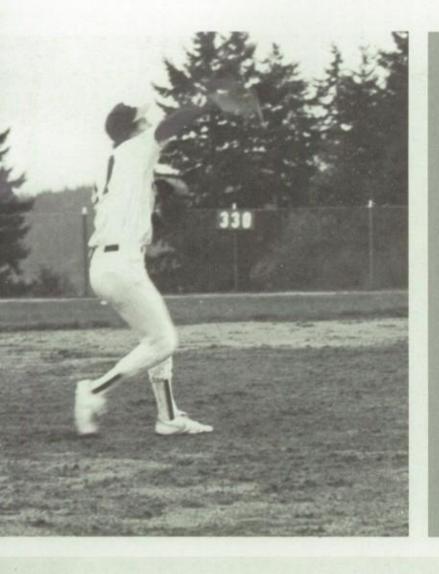

This years Baseball program was not just an ordinary team. Not only did the players practice on the field, they also attended a voluntary series of seminars on leadership and goals setting.

Coach Taloff felt that the team was both physically and mentally strong. The whole team pulled together to make a powerful and exciting game. A strong bench, positive outlook, and creative game plan marked the Shorecrest baseball program for 1987. The will to win was the will to work, according to Taloff. Players were reminded that success is a journey, not a destination; the greatest joy is loving the game, not just playing it or winning it

With these strengths and philosophies as it's foundation, the Shorecrest baseball program offered itself and the fans the greatest opportunities for success in 1987.

UARSITY TENNIS

Even though rain hampered the practice time of the 1987 Girls Tennis team, the mood was very positive. The eight returning varsity players were bolstered by teamates who have been in the program two years. Forty-six players, led by co-captain Melinda Yeomans and Susan Kiepe, turned out for tennis this spring. They know this will be a good

season.

Mr. Majorowicz has shown his great abilities at coaching this year,

with a winning Junior Varsity team.

This years Junior Varsity has shown their stuff by starting off their season winning all and losing none. Credit should be given to both Mr. Majorowicz and the girls junior varsity tennis. The team is working hard and striving to be the best that they can be. Congratulations for the good job done this year, and good luck.

With several returning varsity members and a turnout of more than eighty, the 1987 track team had an outstanding year, performing well in the weekly meets and being very competitive in the Pasco, Oak Harbor, and Highline invitationals. Even with a dramatic change in coaching staff, the team pulled together to achieve victory. The large amount of underclassmen athletes should no doubt provide for an incredible season in 1999.

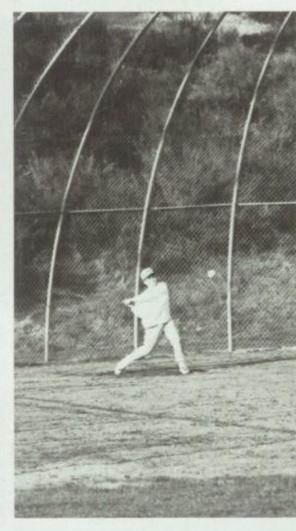

UARSITY SOFTBALL

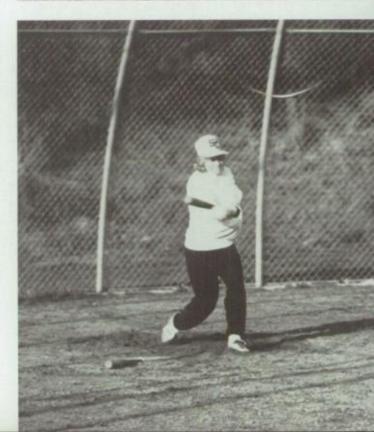

Shorecrest's Varsity Softball team grew larger and stronger due to the addition of many players from Shoreline. With the help of coach Tom Watson, the girls proved themselves capable of capturing many victories. These victories will hopefully make Shorecrest a stronger team in the future.

At Shorecrest, we have the best of both worlds; a blend betwen the blue and gold Spartans, and the green, blue, and yellow Scots. We have a superior mix of staff that can't be equaled and a facility that has been the object of our dreams. What's more — things really happen at Shorecrest. TAG groups incorporate 9th graders into the mainstream while "Lads & Lassies" dance as the bagpipes play. Knowledge Bowls prove the wisdom gleaned in classrooms. Drama, music, athletics, and activities excel. There is camaraderie at Shorecrest and people really care about one another. The counseling staff strives to take a holistic approach to help students develop their full potential intellectually, socially, physically, emotionally, and aesthetically. All of us join hands in a team approach to make the Shorecrest experience worth remembering.

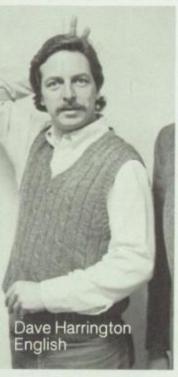

-Kay Keyes

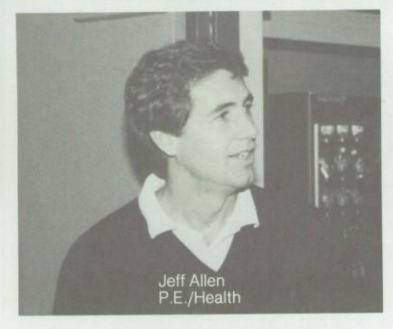

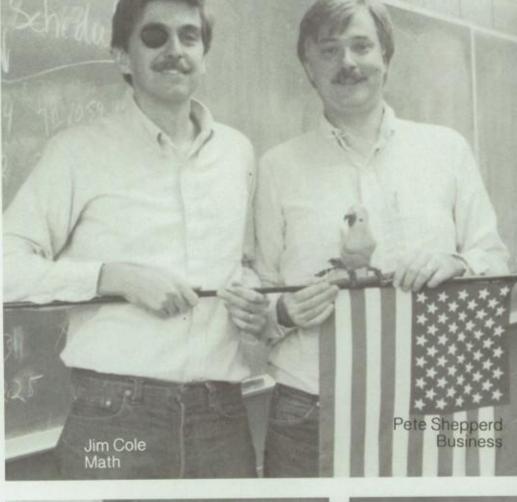

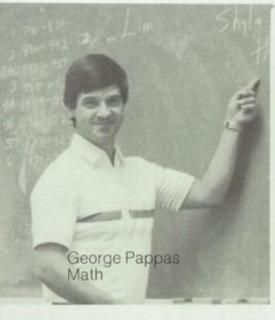

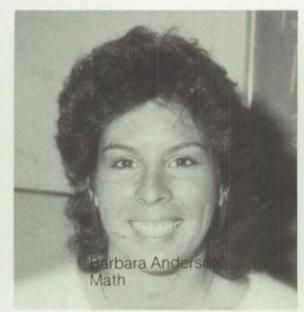

The new teachers who joined us from Shoreline added strength and versatility to the English staff. With the increased number of English teachers, and the addition of the Performing Arts Center, the school was able to offer a larger variety of English courses.

In addition, the computer lab added a new dimension to our ability to teach writing skills. Our school is now more advanced with special programs to help students learn more and better

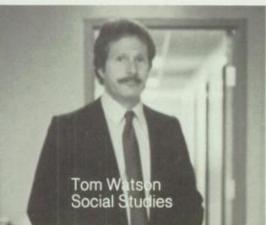

things.

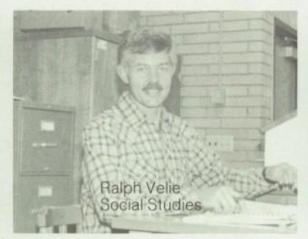

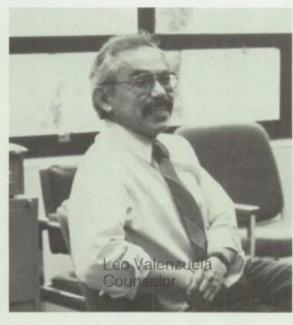

The fine staff in the Home Economics Department was enlarged this year to four teachers. A broad spectrum of classes, including housing and interior design, foods, commercial foods, gourmet foods, child development, child psychology, clothing, power and career sewing, consumer ecomomics, and family living, was taught. The new facilities enabled our students to achieve new horizons with the home economics field.

The Factory, located in two adjacent portables, instructed students in the commercial sewing industry. The Highlander Cafe, with it's new dining room and commercial kitchen, gave students valuable training skills that they can put directly to use as employees in restaurants. Our preschool, operated by child development students, enable individuals to practice child care techniques for future jobs in early childhood careers.

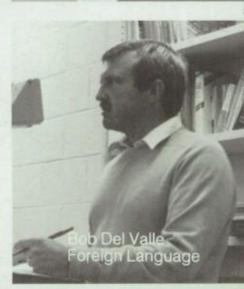

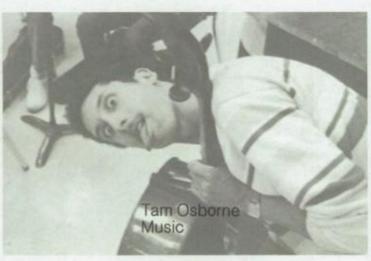

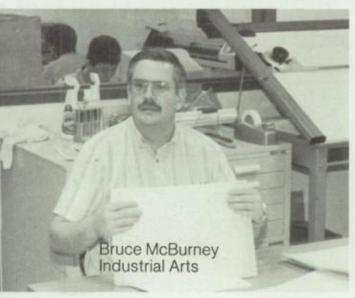

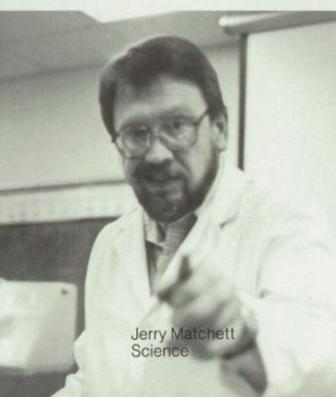

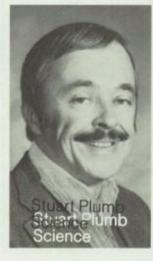

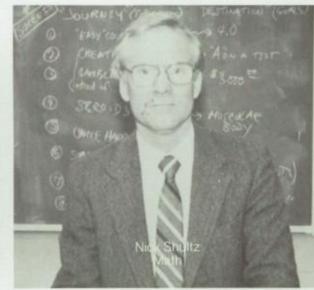

The size of the Directed Studies department has more than doubled this year. Besides
welcoming students from
Shoreline High School, we also
are very pleased to be serving
students who were at the North
City Training Center and Maxin School.

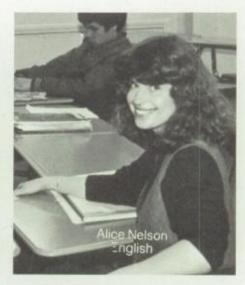

The goal of our program is to help each of our students, regardless of his or her problem or handicap, reach his or her maximum potential academically and vocationally. Because of the hard work of the members of the Directed Studies staff, and the support and cooperation of the rest of the Shorecrest staff and student body, this goal will be met.

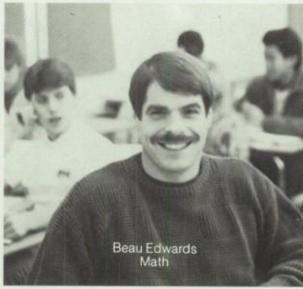

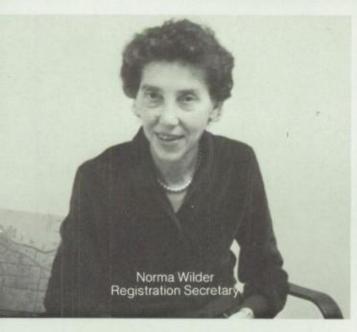

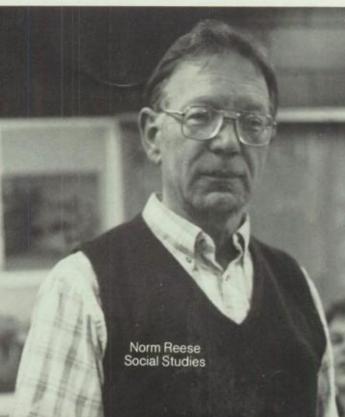

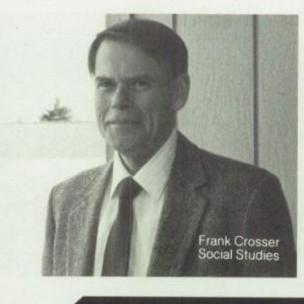

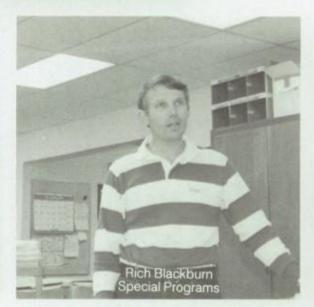

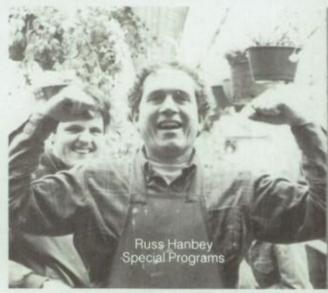

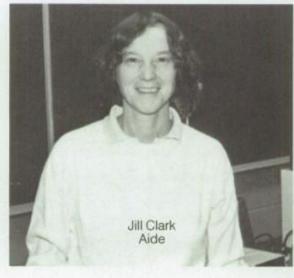

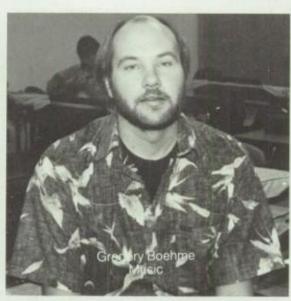

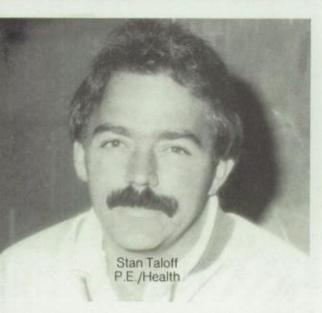

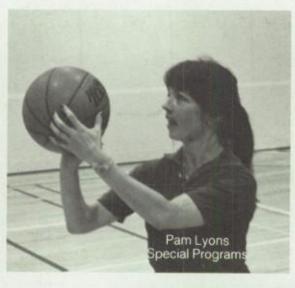

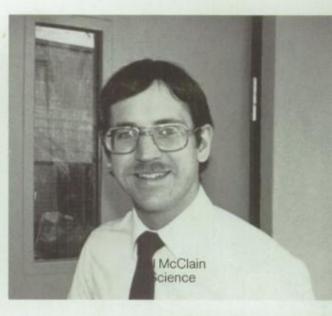

We, the 1987 **COCTO** staff, would like to take this opportunity to thank all the faculty, staff, and administration for their time and dedication to better educate us all. We would also like to thank you for providing a smoothe transition in what could be best described as a very trying situation. We know it wasn't easy, and we appreciate your efforts to unite Shorecrest into the best school it can be.

ne day on Ferris Bueller's Day Off, he was walking around the Platoon when he ran into Crocodile Dundee, who was Armed and Dangerous. He saw that there would be No Mercy, so he asked Sid and Nancy for their Top Gun. What he got was The Three Amigos dressed in The Color Purple because Peggy Sue Got Married. All of a sudden, to Ferris Bueller's surprise. Crocodile Dundee turned into a Black Widow. Before the Three Amigos would help, they asked for an Outrageous Fortune and wanted to see The Color of Money upfront. Ferris said that those words were Crimes of the Heart. The Amigos agreed, saying that they were Children of a Lesser God. Then Ferris said Stand By Me and we'll take The Fly going Over The Top, through The Little Shop of Horrors to kill the Soul Man called Crocodile Dundee. On the way, they picked up Ferris' Stepfather, named Lucas, who thoughthe was a Golden Child. They sang The Song of the South, and with Some Kind of Wonderful they ended the Big Trouble in Little China. After the Mission ended, they continued on their Star Trek and headed for home. Ferris said "I've seen the Light of Day, so it's Back to School for me." And that concludes my American Tale.

usic ... music ... music ...
This year was certainly a tuned filled one. It filled our minds at dances, it blasted our parents out of the house, and it rocked our cars.

With the genius invention of the compact disc, music became even more fun and more important. Those little gold discs cost more, but were well worth the investment of \$12.95, generally because the discs were static free, and could be played louder than before with less distortion.

This year's favorite stars were diverse in their style, ranging from the whimsical lyrics of Whitney Houston to the heavy beat of The Beastie Boys. But one thing is sure; the music of the late 80's had a style that was all our own.

he Annual staff took a poll of fifty people to find out just what fast food joint is the fastest and the best. Well, here's the results. McDonald's came in first with 23 votes. Many people felt that McDonald's gave them their food fast AND that it really was the best.

In second place was Dick's with 18 votes. Yes, the once well known lunchtime hangout has been

taken over by McDonald's.

And last but certainly not least, in third place with but 9 votes, was Burger King. Though last in the ratings, it was the highest on the list of those students who REALLY enjoy their food.

COLOPHON

Thirteen hundred copies of the 1987 LOCH were produced by Taylor Publishing Company in Dallas, Texas. The 216 pages, in a 9 X 12 format, were bound in a four-color cover designed by Mr. John Carlson, formerly of Shorecrest. The endsheets are of 65# Beckett stock, with the regular paper stock 80# Westvaco Enamel stock. The type was set in 8 and 10 point Helvetica, with the division pages and headlines set in Tramp, either 36 or 48 point sizes. Eight of the color pages were broken down into two 4page tip-ins and bound as a permanent part of the book. All copy was typed into an IBM PC, using Taylor's TypeVision Series. The class sections were designed using Taylor's page layout program, PageVision, and the index was formed using Taylor's Index-Vision, which has an automatic indexing function used in conjuction with TypeVision. All pictures, art, and screens were shot with a 150 dot elliptical process screen, with the color pictures being processed using Taylor's Laser Scanner. Taylor Publishing, your local representative, Mike Archer, and your 1987 LOCH staff hope that this yearbook will serve you well in the years to come, and bring the memories flooding back when you happen on it by accident after it has gathered mold, mildew, and dust for years in your basements, attics, or garages.
